The term of office of the CSMS members shall be two (2) years and shall coincide with the term of office of the Board of Directors.

The term of office of members of the Board of Directors, whether effective or alternate, shall commence on the date of their appointment by the Board of Directors, while the term of office of external members shall commence upon execution of the respective instrument of investiture as Committee member.

The term of office of any member shall terminate upon: (i) expiration of the term of office; (ii) resignation; or (iii) removal, at any time, by the Board of Directors. 3.3. Meetings

The CSMS develops its activities primarily through working meetings and, for this purpose, meets ordinarily monthly, according to the approved Annual Calendar and, extraordinarily, whenever the CSMS Coordinator or any of its members deems it necessary, in alignment with the CSMS Coordinator, or when required by the circumstances.

The ordinary meetings of the CSMS to consider matters of deliberation of the Board of Directors shall preferably be held at least seven (7) days in advance of the dates scheduled for the Meetings of Braskem's Board of Directors ("**RCA**" or "**RCAs**"), which may be in a shorter period of time, but always prior to the holding of the RCAs.

The calls, agendas, as well as the support materials for the meetings must be made available to the members of the Committee, by the S-CA, at least seven (7) calendar days in advance of the date of the meeting, unless the majority of its members set a shorter deadline, but not less than forty-eight (48) hours, in which case a duly instructed agenda must be made available.

The meetings of the CSMS shall be held, preferably, at Braskem's main office, and may be held remotely, by means of telephone conference, videoconference or by any other means of communication that allows the identification of the member of the Committee and simultaneous communication with all other persons present at the meeting, and recording is not allowed. In case of remote meetings, it will be the individual and exclusive responsibility of each member of the CSMS to adopt all necessary measures to ensure the strict confidentiality of the meetings, and access by people not authorized by the CSMS Coordinator to any information handled in the meeting is strictly prohibited. The means of communication to be used by the member of the Committee must be the one indicated by the Company's Information Security Department. If it is impossible to use the indicated means, it will be up to the member of the Committee to inform S-CA in advance of the means of communication that will be used, so that the Information Security Department can carry out the validation.

Preferably, all members of the CSMS should be present at all meetings, whether in person or by means of telephone conference, videoconference or any other means of communication. The minimum quorum required to hold a meeting must be more than half of the members. The member of the CSMS who is unable to attend the meeting must inform the CSMS Coordinator in advance and indicate, if applicable, which member will represent him, provided that such occasional representation shall not constitute a delegation, as set forth in item 3.1 of these Rules.

Whenever the Coordinator of the CSMS is unable to attend a meeting, he or she shall notify the other members in advance and designate a substitute.

The recommendations of the CSMS shall be recorded in minutes prepared by the S-CA and, after validation by the members of the CSMS, shall be made available on Braskem's Governance Portal. The minutes shall be archived by the Corporate Governance Department at the Company's offices.

3.4. Conflict of Interest

If any of the members of the Committee is in a situation of conflict of interest with a certain matter to be considered, they must promptly disclose the conflict to the Coordinator or to the S-CA, being

prevented from deliberating or otherwise intervening in the subject matter of the conflict. The impediment of the participation of the member will be recorded in the minutes of the meeting. If the member fails to disclose such conflict of interest, any other Committee member who becomes aware of it shall do so. Exceptionally, to protect its interests, the Company, by decision of the Legal Department, may restrict members subject to a conflict of interest from accessing information and materials relating to the matter giving rise to the conflict, as well as to the part of the meeting that deals with the subject.

3.5. General Provisions

The S-CA shall be responsible for supporting the CSMS in accordance with the duties set forth in the Internal Rules of the Board of Directors.

All communications between the members of the CSMS and external advisors, whenever applicable, shall be conducted under a confidentiality regime.

In the event of any conflict between these Rules and the Company's Bylaws, the latter shall prevail and these Rules shall be amended, to the extent necessary.

These Internal Regulations were approved at the ordinary meeting of Braskem's Board of Directors held on October 22, 2026, and will be made available on the Company's website.
